**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use Sonic. They have superior customer support than my experience with att. Competition is what makes Consumer experiences better. We need competitor services to help innovate, keep costs competitive, and given the dominance and costs of infrastructure, the only fair path is to allowed shared access.
